Beehive
ILLUSTRATION

Alicia Arlandis

info@beehiveillustration.co.uk

My name is Alicia Arlandis. I've been interested in art for as long as I can remember and I've been illustrating for over twelve years. I love drawing, painting, reading, and teaching, both older people than children. I am graphic designer and illustrator and love learning more and more about these jobs. I live in Valencia, a beautiful city near the coast
